What are we doing here?

- Introduction to programming
- Getting to know the basics of Java
- Preparation for upcoming courses (e.g 'Softwaretechnologie', 2nd Semester)

Structure

- 14 lessons
- Thursday, 13:00 - 14:30a
- APB/006 (right here)

Why Java?

- Widely used programming language
- Introduction to object oriented programming (OOP)
- Platform-independent
- … and much more

- Android development
- Web applications
- Desktop GUI applications
- … and much more

Time to get started! ..almost

Make sure to have a working internet connection
